

Matthew Barber – Your local Police & Crime Commissioner candidate

Police & Crime Commissioners have big powers:

- ✓ Managing a multi-million pound police budget
- ✓ Setting local policing priorities
- ✓ Holding the police to account

So it matters who's in charge

Matthew will cut crime by:

- ✓ **Strong local policing for Oxfordshire** – More police officers on the streets of Oxfordshire, strong neighbourhood teams focussing on crimes such as burglary and vehicle crime, and a new rural crime team.
- ✓ **Fighting serious organised crime locally** – Cracking down on the threat from “county lines” drugs gangs to protect children from exploitation and abuse.
- ✓ **Improving road safety and enforcement** – Relaunching community speedwatch and working with the police and local councils to reduce speed and make the roads safer for cyclists.

With the extra police that we're working with Government to recruit.

More Police.
Cutting Crime.
Making
Communities
Safer.

Mathew Barber – working to cut crime in Oxfordshire.

our plan

for West Oxfordshire

1

A cleaner greener West Oxon

We will reduce our carbon emissions and make the district council 'Net Zero' by 2030, clamp down on fly-tipping, revitalise our green spaces by planting more trees and put pressure on those responsible to clean up our waterways.

2

Creating a vibrant economy

Supporting our market towns and local businesses is vital. We need to ensure they thrive post COVID and create jobs. Additionally we will encourage more apprenticeships to give our young people more opportunities to succeed.

3

Tackling isolation and improving wellbeing

The creation of a wellbeing hub, encouraging active travel and building outdoor gyms will bring our communities together to reduce isolation and improve people's wellbeing.

4

Protecting our countryside from development

We have made the hard choices, made a local plan and taken control of development. This not only protects our countryside from speculative development but builds more affordable homes for local people. We will continue to make sure key infrastructure is delivered alongside homes.

5

Tackling speeding and improving our roads, footpaths and cycleways

Supporting the 20's Plenty campaign, creating more 20mph zones in our towns and villages to reduce speeding. Encouraging more community Speedwatch groups. Investing £30 million a year into our road network.

6

Strong local policing

More police officers on the beat. Strengthening powers to tackle illegal encampments, dog theft and rural crime.

Help deliver Our Plan for West Oxfordshire.
Vote Conservative on 6th May.

West Oxfordshire District Council elections **6th May 2021**

ELECT

Caspar MORRIS

Your local Conservative candidate for Charlbury & Finstock Ward

- ✓ **Combating Climate Change**
- ✓ **Supporting local businesses**
- ✓ **Keeping Council Tax low**

INSIDE
WHAT'S AT
STAKE IN THIS
ELECTION?

Dear Resident

As a local resident and firefighter I know how fortunate we are to live in such a wonderful part of the country. I have chosen to put myself forward for election because, like you, I care about our community and want to do my bit to improve it.

I want to work with local people to ensure that we get the best deal from all of our local councils to ensure our community remains strong and continues to improve for the future.

Under the strong leadership of the Conservatives we have seen how district council services have been protected, infrastructure funding secured and a strong foundation laid for the future.

I want to be part of helping to build that future and with your support on Thursday 6th May, together we can ensure our community has strong public services and continues to offer a great quality of life for all.

Note: Due to the pandemic some older photos have been used, taken before social distancing.

What's at stake in Charlbury, Finstock & Fawler at this election?

Together we've made real progress on delivering for West Oxfordshire. But there's still much more to do. So for a strong and effective local councillor who'll get things done, vote for Caspar Morris on 6th May.

Under Conservative leadership West Oxfordshire District Council will continue to provide quality services along with free parking and low Council Tax.

Following the pandemic, we must ensure we invest in our communities and achieve our net zero-carbon goals.

Quality Services - Low Council Tax

A cleaner greener West Oxfordshire

In addition to making West Oxfordshire District Council net carbon neutral by 2030, we will clamp down on fly-tipping, clean up littering on our streets and increase recycling rates.

The pollution of our local waterways is very unsettling. We will hold the people responsible to account to stop the dumping of raw sewage in our beautiful and historically important rivers.

Our community volunteers, public services and local businesses have been the backbone of our response to the COVID crisis

We will continue to support local businesses, our high streets and communities to recover from COVID-19.

The Conservatives have already provided millions of pounds worth of support to local small businesses during this COVID crisis. As we start to recover I will support the council in ensuring they have what they need to thrive and create jobs.

Making sure we get the needed schools, GPs, sports facilities, roads, bus services and much more is vital.

We have already secured millions of pounds from developers and government for key infrastructure projects and will continue to work across all levels of government to make sure our area gets what we need.

Infrastructure must continue to be built alongside development

For a hard working team who'll get things done for Charlbury & Finstock. Vote Conservative on Thursday 6th May.
