

Election of Town Councillors for the town of Charlbury

Date of election: Thursday 6 May 2021

Claire Wilding

I have lived in Charlbury for six years and grew up in Witney. I have two children at the primary school. I work as an environmental policy advisor in central government, where I've developed team working, problem solving and project management skills. I am trustee and treasurer of a national women's health charity.

Charlbury is a great place to live, in particular because of our strong community and beautiful environment, which have been more important than ever this past year. If I'm elected, my priorities will be to:

- help Charlbury's groups, facilities and businesses thrive following the impact of covid; and
- look after our green spaces and use them for the benefit of the whole community and nature.

I've been actively involved in the community through working as Charlbury Neighbourhood Plan coordinator; as part of a residents' group working with the Town Council to get the new play park at Ticknell Piece; and as a reading volunteer at the school and supporter of the preschool.

We have lots of excellent candidates for the Town Council this year, and with a "W" surname I'm used to being at the end of a list - but please consider saving a vote for the end of the ballot paper if you would like to elect me!
