Date of Election: Thursday 6 May 2021

Fairness and equal opportunities for Charlbury

Emily Frances Algar

I have lived in Charlbury for over twenty years. I have a Masters in International Security from Oxford Brookes University. My career path has been eclectic with work in the non-profit, advertising, higher education and music sectors. I currently work as a freelance culture and politics journalist. My wildcards: in 2018-19 I was A&R on a Grammy-nominated album and I have been part of four Charlbury Amateur Dramatics' (CADS) productions.

I believe in fairness and equal opportunities and I want those things to be available for everyone in Charlbury. If elected to the Town Council, I would support expanding the Community Hub at the Cornerstone and work with the District and County Councils to improve public transport. I will work to raise awareness of and combat domestic violence and implement a safer environment for girls and women in Charlbury.

I will bring my lived experience of growing up in a single parent family in Charlbury and my professional experience of working in the non-profit, creative, and media sectors.
