

Election of Town Councillors for the Town of Charlbury

Date of Election: Thursday 6 May 2021

Tim Crisp

I have lived in Charlbury for 24 years.

My wife grew up in West Oxfordshire and our three children attended Charlbury Primary and local secondary schools.

I have been involved with the Charlbury Beer Festival for 20 years, I am a trustee for the charity, helping to raise over £250,000 during this time.

I joined Sustainable Charlbury in 2008 and initiated the idea of developing a community solar farm. Southill Community Energy (SCE) was built in 2016, and has delivered £130,000 of community benefit, including £70,000 for the Charlbury Community Centre making it a more energy efficient building. I remain a director of SCE and am Chair of Sustainable Charlbury which is responsible for distributing the community benefit fund.

I am passionate about the need to urgently reduce our carbon emissions and the importance of protecting our natural environment. I am on the Town Council Environment Working Group (EWG) and if elected would work to help deliver action on the climate emergency declared by the Town Council.
