

Election for Charlbury Town Council

Date of Election: Thursday 6th May 2021

Vince Hill

I have lived in Charlbury with my wife for over 41 years. I was born in Oxford and worked for an Oxfordshire engineering company for 48 years in various positions. Since retirement I have been a member of Oxfordshire NPC and Thames Valley NPC (National Pension Convention) a non- political national body which is fighting for all pensioners. I am also a member of Oxfordshire and District Trades Council. I have served on the Town Council since 2017. I was a Trustee of the Corner House and Memorial Hall until recently. I appreciate the beautiful environment in which we live and enjoy walking in the countryside with my dog.

In the 41 years since I have been here, Charlbury has grown a lot and we have seen many changes. These have been carefully managed to maintain a fine balance between the old history and traditions of the town and the changes that an expanding town brings. Whilst supporting all the environmental issues it is important that we remember that there is a need for low cost housing and Social Housing not only for our children and Grandchildren, (who will otherwise have to leave the area) but for our older generation too

Since being a Town Councillor, I have tried to work in the best interests of the people of Charlbury and for the town. If I am re-elected I will endeavour to do the same.

PLEASE VOTE FOR VINCE HILL
