Directions to Carterton Health Centre

ATIC suggests that the best way to drive to Carterton Health Centre is to go via Burford. Go through Burford across the bridge from the A361 and up to the main road roundabout. Turn Left onto the A40 towards Witney and Oxford. Then almost immediately turn Right onto the B4020 signposted Carterton, RAF Brize Norton and Burford Garden Company. (see map B)

On the B4020 go past the Burford Garden Company and carry on down the B4020 into Carterton. Carry straight along the road towards Carterton town centre. You will come to traffic lights – go straight across towards the town centre (crossing Upavon Way). Continue straight down the road to the next set of traffic lights in the town centre. Turn Right into Alvescot Road. The Health Centre is on the right just past the Library. (The second Original Factory Shop building is opposite.)
